Art Windsor-Essex (AWE) will have placed eleven reproductions of artworks from its collection throughout St. Clair College's main campus, turning it into an outdoor art gallery. Art collector and philanthropist Stephanie Zekelman has selected these eleven works by eight different artists in this latest edition of Look Again! Outside, joining a family of other outdoor artwork reproductions throughout Windsor.

Look Again! Outside: St. Clair College was made possible by a generous donation from the Stephanie and Barry Zekelman Foundation, Ontario Trillium Foundation, and with the generous in-kind support of St. Clair College.
