

## Ontario Colleges & McDonald's Canada

### Student Transfer to Business Diploma Programs

McDonald's and Ontario Colleges have partnered to offer educational opportunities for McDonald's employees to pursue post-secondary education in Business and Business Administration programs at colleges throughout Ontario.

## How does it work?

St. Clair College will grant recognition for first year business credit into our **Business and Business Administration Diplomas** to McDonald's Second Assistant Managers who have completed the **Management Development Program Level 2 (MDP)**, with the following additional requirements to complete the diploma program:

1. Math Assessment
2. Business Communications (WRIT) Assessment
3. General Education Elective Course

Upon completion of McDonald's Management Development Program Level 2 (MDP), successful applicants to St. Clair College's Business or Business Administration diplomas can **complete a 2 year Ontario College diploma in as little as 1-year and a 3 year Ontario Advanced College diploma in as little as 2 years!** Our flexible program is offered full-time, part-time, in-class as well as some online offerings.

# Apply Today!

**Step 1:** Apply to St. Clair College choosing the advanced standing application option on the Ontario College Application Service ([ontariocolleges.ca](http://ontariocolleges.ca)) and apply to the Business Diploma program or Business Administration Diploma program.

**Step 2:** Upon application being received, you will receive a letter requesting postsecondary transcripts. You will also need to provide the following documents to the Registrar's Office at St. Clair College:

- McDonald's Canada Training Verification form signed by a McDonald's manager (training must be completed within three years of the application), and
- any additional post-secondary transcripts you may have.

*Please note: St. Clair College reserves the right to validate graduation from secondary school and original admission requirements.*
